

OLFA®

Best made cutting tools in the world.®

OPEN UP NEW SALES WITH OLFA PREMIUM CUTTERS.

Our innovative, durable cutters will offer new depth and assortment to increase revenue opportunities in your mailing and shipping department. OLFA® cutters feature first-class craftsmanship for maximum performance, and high-quality carbon tool steel blades that are specially honed for superior sharpness and edge retention - for safe, easy cutting. Handles so tough, they are guaranteed forever.*

SK-9 – SELF-RETRACTING SAFETY KNIFE WITH TAPE SLITTER

A convenient multi-purpose safety tool. This versatile heavy-duty safety knife features a spring-activated blade that self-retracts the instant the blade loses contact with the cutting surface, reducing potential injuries in the workplace.

Features include:

- On the rear of the cutter there is durable rounded metal tip that functions as a tape splitter, carton tucker, screwdriver, staple-remover and more.
- Perfect for use in shipping and receiving departments.
- Safely cuts corrugate, boxes, plastic strapping, shrink-wrap, rubber, leather, poster board and more.
- The tape splitter is also perfect to score corrugate when you need to customize a box for shipping.
- Maximum cutting depth: 0.75"/19mm.
- Includes SKB Blade.
- Fits SKB, RSKB, HOB Blades.

CL – HEAVY-DUTY RATCHET-LOCK CARTON CUTTER

Innovative features and design include an adjustable depth gauge to reduce damaging goods, and a convenient built-in staple remover. Also features a one-of-a-kind, sturdy, flat cutting guide that provides additional stability and a perfect 90 degree edge for optimal cutting. Comes with an OLFA LB snap-off blade with 8 cutting edges per blade for prolonged blade-life and usage.

Designed for maximum cutting performance and ideal for applications where superior sharpness is required. Features 8 cutting edges per blade.
